

Exhibit A (also in claim 23712): Ethereum trade activity

The screenshot shows the Liquid website's 'Overview Report' for Ethereum trade activity. The page has a dark theme with a white header. The header includes the Liquid logo and navigation links: Markets, Trade, Buy & Swap, and QASH to FTT. On the right side of the header, there are links for Balance and Deposits. The main heading is 'Overview Report'. Below this, there are two sections: 'Select timezone' and 'Select Range'. The 'Select timezone' section shows 'UTC+00:00' with a dropdown arrow. The 'Select Range' section shows a date range from '2016 July 11' to '2016 August 03', with each part having a dropdown arrow. Below the date range, there is a section titled 'Transacted Volume:' which lists 'BTC' with a value of '512.04700274 BTC' and 'ETH' with a value of '27,586.28268672 ETH'. At the bottom, a note states: 'Accounts with zero transacted volume during selected period will not be displayed.'

Exhibit B (also in claim 23712): "No" ETC transactions

The screenshot shows the Liquid website's 'Transactions' page for ETC. The page has a dark theme with a white header. The header includes the Liquid logo and navigation links: Markets, Trade, Buy & Swap, and QASH to FTT. On the right side of the header, there are links for Balance, Deposits, Withdrawals, Open Orders, Transactions, and Report. The main heading is 'Transactions'. Below this, there is a section titled 'Select Account' which shows 'ETC' with a dropdown arrow. Below the account selection, there is a message: 'No data available' followed by 'There is currently no data available. Please check again later.' At the bottom of the page, there is a section titled 'Overview Report' which includes 'Select timezone' (showing 'UTC+00:00') and 'Select Range' (showing a date range from '2015 February 20' to '2022 May 23').
